

Community Resource Partnership Agenda  
February 18, 2010

Village Center Redevelopment

- Kathy Rockefeller, Director of the Mediation and Conflict Resolution Center at Howard Community College, will share information about resources being developed at HCC to assist villages in their redevelopment process.

Snow Removal and the Aftermath from the Blizzard

- Many comments have been received thanking DPW for coordinating the massive clean up efforts. Jim Irvin will share a brief update on the ongoing snow removal efforts.

Columbia Gas Pipeline

- Mike Fowler, Senior Government Relations Representative for BGE, will provide an update on the Linden Church gas pipeline reclamation project, including information on scheduling changes.

Foreclosures and Evictions

- Major George Voll of the Sheriff's Office, will provide information on how to handle possessions left behind following properties being vacated due to foreclosures or evictions.

Residential Crime Update

- Recent increases in residential breaking & entering and similar crimes are of concern. Some villages are experiencing a change from "crimes of opportunity" to "forced entry". Capt. Jones will provide an update on HCPD efforts and strategies for citizens to employ to increase their safety.

Comments

- Anything not yet discussed?

Community Resource Partnership Manuals

- Binders for each village covering the CRP were distributed. This is a "living document" and updates, individual customization, and feedback are encouraged. Electronic copies of this manual have been shared with all members of the CRP.
